

ATHLETE SUBSIDY POLICY

Port Adelaide Athletics Club is committed to supporting athletes to reach their full potential.

Where the PAAC has sufficient funds, \$100 once per year will be offered to those athletes who compete at any Junior or Senior National Titles conducted by Athletics Australia, Little Athletics Australia or School Sport Australia.

Athletes who compete at International Level will also be offered assistance.

Athletes who receive funding are required to wear their club uniform if they choose not to wear the State uniform.

Athletes, their parents or their coaches are responsible for notifying the Committee of their involvement in the relevant competitions. An Athlete Subsidy Application Form will need to be completed by the athlete or their family to enable payment into a bank account.

Athletes competing at National events can access grants through the Office for Recreation, Sport Australia or your local Council.
