

PAAC State Championships Relay Policy

A committee of 3 will be formed by the Club Management Committee to select and organise the day.

1. Selections to be made 2 weeks prior to the Relay State Championships to allow at least 2 training session and where possible, teams enter at Interclub as a practice.
2. Only registered athletes are to be considered for selection.
3. Only athletes who have competed at an ASA Interclub in a relevant event in the current season, will be considered for selection.
4. Selection will be based on merit with current season performances given weight over personal bests.
5. Availability for training or running relays at Interclub may also be taken into selection.
